Personal data that we process

Kepler Vision Technologies may process personal data about you because you use Kepler Vision Technologies' services, and/or because you provide it to Kepler Vision Technologies yourself when completing a contact form on the website.

Below is a summary of the personal data we process:

- First and last name
- E-mail address
- Browser
- Device type (such as Apple)

When using our support form, the following data is processed:

- Organisation name
- Description/remark
- Room
- Time of the day

Why Kepler Vision Technologies needs data

Kepler Vision Technologies processes your personal data to contact you in writing (by email and/or post) if necessary.

How long Kepler Vision Technologies stores data

Kepler Vision Technologies will not retain your personal data for longer than is strictly necessary to fulfil the purposes for which your data is collected. We use the following retention periods for the aforementioned (categories of) personal data: 2 years.

Special and/or sensitive personal data we process

Our website and/or service does not intend to collect data on website visitors who are under 16 years of age. Unless they have parental or guardian consent. However, we cannot verify whether a visitor is older than 16. We therefore advise parents to be involved in their children's online activities to avoid collecting data on children without parental consent. If you are convinced that we have collected personal data about a minor without such consent, please contact us at gerben.noot@keplervision.eu, and we will delete this information.

Sharing personal data with third parties

Kepler Vision Technologies only provides third parties and only if necessary for the performance of our agreement with you or to comply with a legal obligation.

Viewing, correcting or deleting data

You have the right to view, correct or delete your personal data. You also have the right to withdraw your possible consent to data processing or object to the processing of your personal data by Kepler Vision Technologies, and you have the right to data portability. This means that you can submit a request to us to send the personal data we hold on you in a computer file to you or another organisation named by you. You can send a request for inspection, correction, deletion, data transfer of your personal data or a request to withdraw your consent or object to the processing of your personal data to gerben.noot@keplervision.eu.

To ensure that the request for inspection is made by you, we ask you to send a copy of your proof of identity with the request. In this copy, black out your passport photo, MRZ (machine readable zone, the strip of numbers at the bottom of the passport), passport number and Citizen Service Number (BSN). This is to protect your privacy. We will respond to your request as soon as

possible, but within four weeks.

Kepler Vision Technologies would also like to inform you that you have the opportunity to file a complaint with the national regulator, the Personal Data Authority. You can do so via the following link:

<https://autoriteitpersoonsgegevens.nl/nl/contact-met-de-autoriteit-persoonsgegevens/tip-ons>

How we secure personal data

Kepler Vision Technologies takes the protection of your data seriously and takes appropriate measures to prevent misuse, loss, unauthorised access, unwanted disclosure and unauthorised modification. If you have the impression that your data is not properly secured or there are indications of misuse, please contact gerben.noot@keplervision.eu.

We will only use the information you share to contact you about the topic you have questions about.

Your concerns are our concern, do you have any questions?

If so please contact Gerben Noot via gerben.noot@keplervision.eu

Cookie declaration

If you visit our website, we process your personal data with cookies.

This cookie declaration was last updated on: 21-11-2023

About this Cookie Statement

This cookie policy explains what cookies are and how we use them. You should read this policy to understand what cookies are, how we use them, the types of cookies we use, i.e. the information we collect using cookies and how that information is used, and how to manage cookie preferences.

What are Cookies?

Cookies are small text files used to store small pieces of information. They are stored on your device when the website loads in your browser. These cookies help us make the website function correctly, make the website more secure, provide a better user experience and understand how the website is performing, and analyse what works and where improvement is needed.

How we use Cookies?

Our website uses cookies for several purposes. First, essential cookies are used to enable basic website functions to be performed. Secondly, functional cookies

are used to ensure certain functionalities. Thirdly, analytical and advertising cookies are used to optimise your user experience and for advertising purposes.

Welke soorten Cookies gebruiken we?

Necessary cookies: Deze cookies zijn essentieel voor de goede werking van de website.

Performance cookies: These cookies are used to improve the performance and functionality of our websites.

Analytical cookies: These cookies help us understand how our website is used.

Advertising cookies: These cookies are used to show ads that are relevant to you and your interests.

Examples of cookies in use:

Google Analytics - We use Google Analytics to track how users use the website and how effective our Adwords ads are at Google search result pages.

Leadgate/Leadinfo - Kepler Vision Technologies uses Leadgate/Leadinfo to identify business IP addresses and better map business visitors to our website.

Vimeo - Our website also contains video content from Vimeo. When you visit a page with a Vimeo video, cookies from Vimeo may be set.

LinkedIn: Collects data on user behaviour and interaction to optimise the website and to track the use of embedded services.

Below is the list of cookies our website uses within the aforementioned categories:

List of all cookies scanned on 4 November 2023
